

# TAILWINDS

Aug. 2017

The RC Aces are affiliated with the AMA (Academy of Model Aeronautics) Charter #1377. Meetings are held the 1st Thursday of the month, Sept. through May at the N. Hampton Public Library at 6:30 PM unless otherwise notified. All members, spouses, potential members and guests are invited to attend !

## *ROCKINGHAM COUNTY AIRCRAFT CONTROL BY ELECTRONIC SYSTEMS*

No Meeting Minutes this month due to the fact there was no meeting.

We are on Summer Hiatus with regard to formal meetings and will call meetings at the field as needed.

**The newsletter for August is a bit early and with good intent!**

**It's AUCTION TIME !**

Please be reminded that this coming Sunday we will hold our annual Auction at the field and the weather looks like it will be conducive to that end. This is the main source of income for the club for the year, other than renewals and new memberships, so your help is appreciated. Whether you are looking to pick up something new for the hanger or sell a treasured item that no longer trips your trigger you will be able to feed the need this Sunday. In addition the usual fare of burgers and dogs will be available to feed those other needs. Please be reminded that all items for auction need to have 1. Sellers name, 2. Description of item, 3. Desired minimum price. If there is no minimum it will be auctioned to the highest bidder. Ten percent of the high bid goes to the club with a maximum of \$20. There are no guarantees or warranty on items, "caveat emptor"! It's always a fun day and we are fortunate to have our dear friend Neil Robinson as the auctioneer.

See page 2

Dean Allred, 603-474-4150, E-Mail [nada2@comcast.net](mailto:nada2@comcast.net)

BOARD of DIRECTORS— Jim Tilton , John Backhaus, Don Chase

**Auction cont.**

**Neil has been prepping for a move south to a home he and his wife purchased in South Carolina so he has been quite busy and we are so very fortunate to have him give up some of his time to do the auction. He has done many auctions in the past and I must say sought after as the auctioneer of choice for many local auctions over the past few years. He does a good job, moves things along, has good knowledge of RC Air related items and works to do the very best for the buyers and sellers alike. I hope many of you will come out to say hello to Neil and wish him the best on a day he's giving us his best.**

**New Members**

**We have been joined by new members Mike Larson and Mike Rowe. Mike Larson purchased a plane from Jeff and has started training with him on Thursday evenings and other times when Jeff is available. Mike Rowe is just getting into small Quads. He was at the field recently and flew his small quad to demonstrate his ability. On the horizon is another potential member who has been by the field and recently purchased the plane I had for sale in last months newsletter. We hope to see him training soon at the field. So the group is growing and may grow more however we do lose members as well. Spence Martin has decided to hang up the transmitter being a nonagenarian. We will miss him as a flyer but as a couple of us have told him "don't be a stranger!". We would all love to have as much fun as Spence does. He and his wife are very active folks.**

**DON'T FORGET**

**Family cook-out for RC Aces members and family. Rain date Aug 20, Sun Gate opens at 9:00am. Come for the day, or just stop by to say "hello" . Food available 11:30am till 1:30pm**

**Hot dogs, burgers, (cooked to perfection by Head Chef Cappy) soda, water, chips, etc will be provided by the club. Side dishes of salads, deserts, etc will be welcome from members**

**Bring your lawn chairs, sun block, bug repellent and of course something to fly.**

**Flightline will be open and hopefully active**

**Please RSVP with number attending to Cappy at [swivelflags@live.com](mailto:swivelflags@live.com) or Mark at [Grampyb@comcast.net](mailto:Grampyb@comcast.net)**
